X ANNOUNCES “BOARDWALK BEACH PARTY”

WEST COAST SUMMER SHOWS

(Los Angeles, CA – April 19, 2011) – Punk Rock legends, **X**, takes on the West Coast once again in a brand new series of shows from June 3rd through June 18th. Billed as the “Boardwalk Beach Party” tour, **X** will make seven very special appearances, with shows in Anaheim, San Diego, Ventura and the Bay Area.

“Because we normally only play the Bay Area over the Holiday Season, we thought we’d change things up and head up there when the sun is shining!” exclaimed Exene. “We’re really looking forward to this summer run.”

The faithful fans of **X** will be treated to a whole host of classics from the giants of the L.A. Punk scene. Opening for all **X** shows between June 3rd and June 17th will be Matt Freeman (Rancid) and his Devil’s Brigade. For the June 18th Johnny Cash Fest in Ventura, **X** will share the bill with the music and movie icon, Kris Kristofferson.

The L.A. punk scene in the late 70s saw its share of greatness, but few acts as talented as the now world-class, live, rock & roll band **X**. Their 2008 “13-31” Tour across the U.S. was something really special, celebrating the band’s 31st anniversary. 2009 shaped up to be just as amazing for the veteran rockers, with appearances at *SXSW* and *Coachella Festivals*, along with their own “X – TRL” Tour, where fans were able to help select each night’s set list.

The original line-up of **X** is **John Doe**, **Exene**, **Billy Zoom**, and **D.J. Bonebrake**.

The **X** “Boardwalk to Beach Party” itinerary is:

June 3-4	HOB	Anaheim, CA
June 10	4th & B	San Diego, CA
June 15	Great American Music Hall	San Francisco, CA
June 16	Uptown Theatre	Napa, CA
June 17	Catalyst	Santa Cruz, CA
June 18	Ventura Fairgrounds	Ventura, CA
